

Bay 1 Right

Dragged from your car - String 1 free style, Limited Vickers; String 2 Strong Hand Only, Vickers.

Scenario: You are stopped at a traffic light when a group of armed thugs drags you out of your car and forces you to your knees. You hear the leader say "kill him, he can identify us". You draw your weapon and defend yourself.

Procedure: Shooter starts at P-1 on both knees hands at sides, gun holstered. On the buzzer draw and engage T1 and T2 through the windows in tactical sequence (1-2-1). Then engage remaining targets (T3 through T6) with two rounds each, using proper cover as they become visible. Reload as needed. Notes: T-1 & T2 are only visible through the windows of the car.

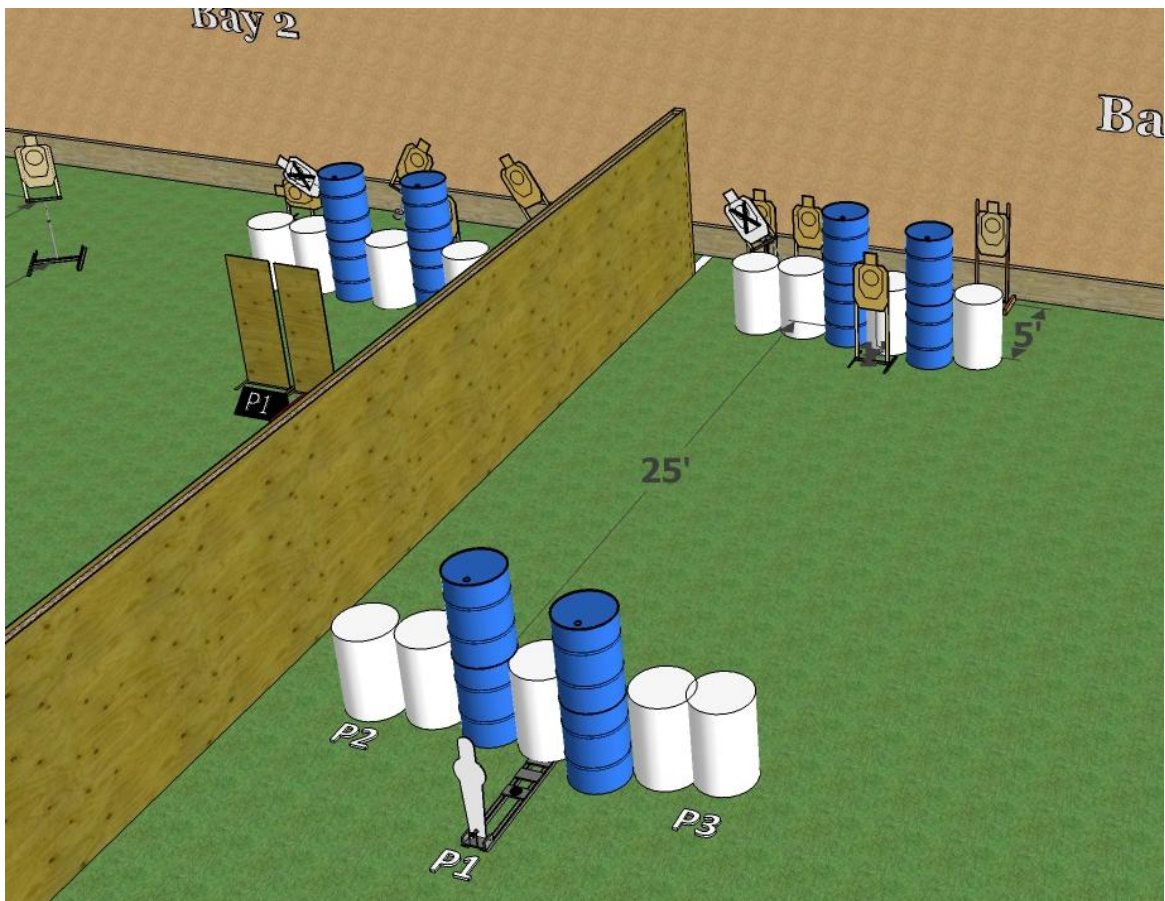

Setup notes: Vary heights on targets. <Left No shoot Leaves head of target exposed.. Right no shoot edge lines up with down zero.

SCORING: String 1 - Limited Vickers, 12 rounds max; String 2 - Vickers, 12 rounds min.

TARGETS: 6 IDPA, 2 non threat SCORED HITS: Best 2 on target

START-STOP: Audible - Last shot

Road Rage

Scenario: You have been involved in an accident late at night and are with the police officer filing the report at his car. The other guy's "friends" show up and start shooting at you and the police officer. The officer is hit and you push him down for cover and engage the bad guys.

Procedure: Start standing at P1 with strong hand on the popper. On the signal, push the popper over to activate mover and engage threats T1-T4, in tactical priority, with 3 rounds each from low cover at both ends of the car (P2 & P3). You must have at least one knee on the ground while shooting. No shooting over the top of the police car (barrels). The entire police car is considered cover.

Setup Notes: Steel Popper activates swinging no shoot. Popper should be aligned to be pulled toward shooter to activate.

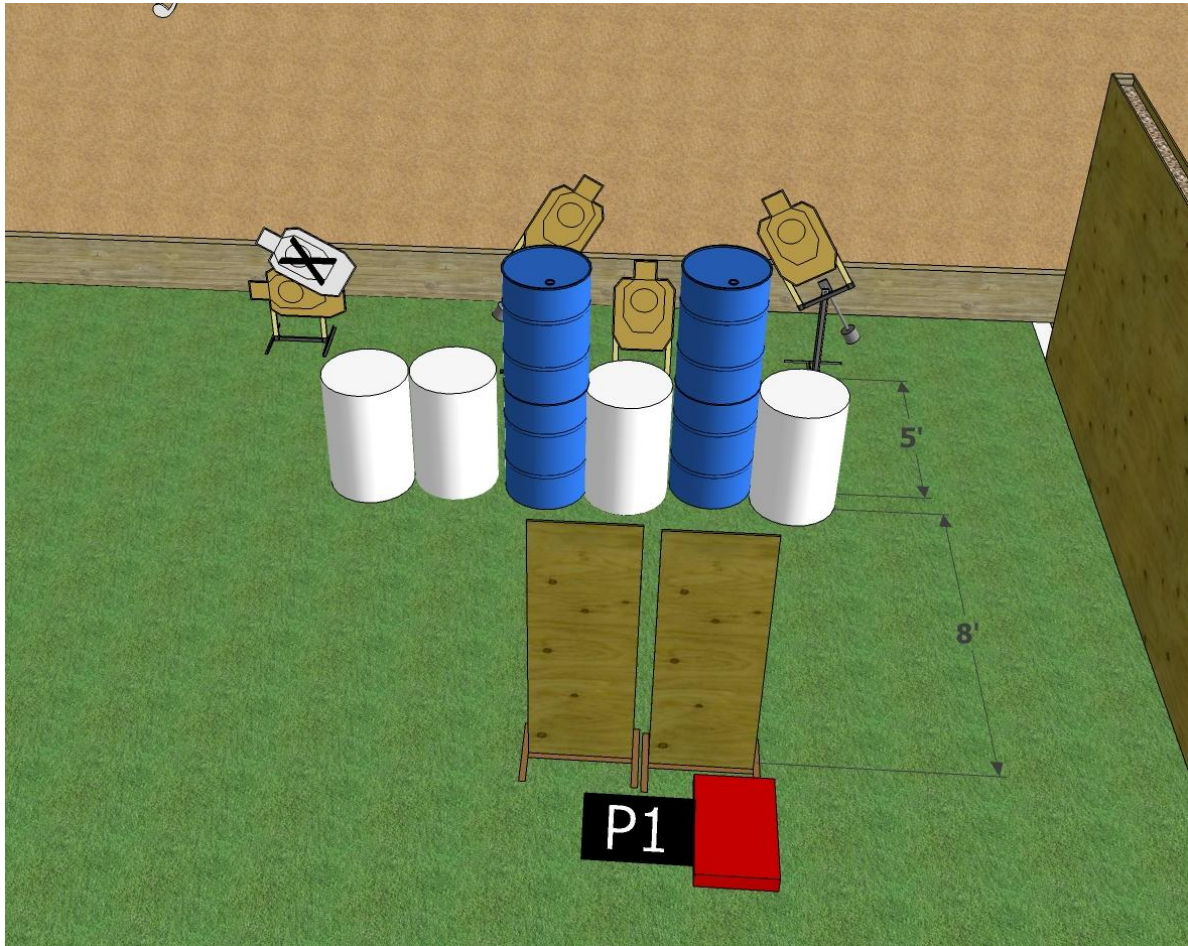

SCORING: Vickers, 12 rounds min.

TARGETS: 4 IDPA, 2 non threat

SCORED HITS: Best 3 on target

Bay 2 Right

Returning to your parked car

Scenario: You are returning to the parking lot after shopping at the mall, when you are attacked by a group of armed thugs. You draw your weapon and defend yourself.

Procedure: Shooter starts at P-1 centered on the barricade hands relaxed at side, gun holstered. On the buzzer while maintaining proper cover engage targets from either or both sides of the barricade with 3 rounds each using cover. Shooter must step on the foot trip to active moving targets before engaging any targets from the right side of cover. Reload as needed. Notes: T-3 is only visible through the windows of the car.

Setup notes: No shoot shoulder lines up with target shoulder and angled to align with edge of down zero on target.

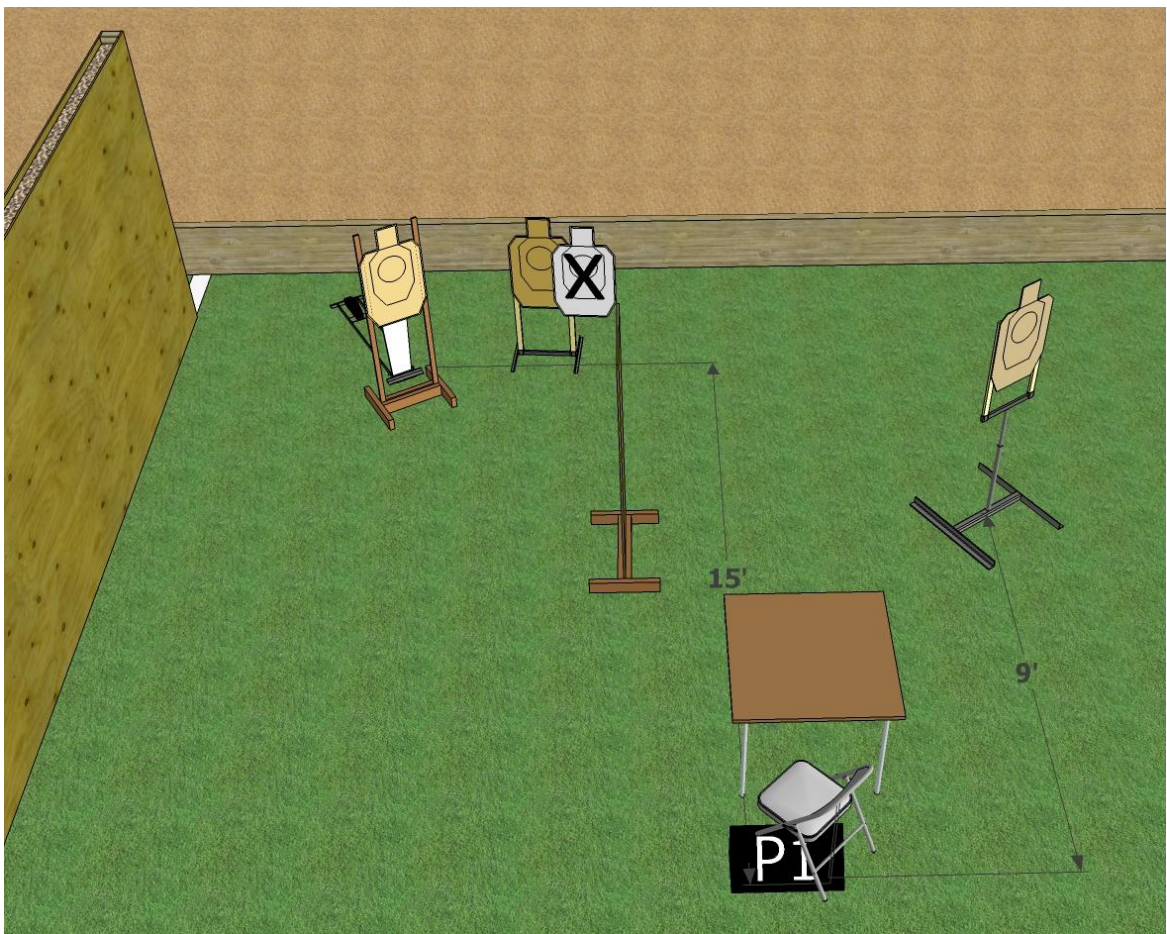

SCORING: Vickers, 12 rounds min.

TARGETS: 4 IDPA, 1 non threat

Bank Deposit - String 1 free style; String 2 Strong Hand Only.

START POSITION: P1, seated in car facing steering wheel, hands on the wheel at 10 & 2 o'clock, Gun on seat loaded to IDPA capacity

Scenario: You are headed to the bank with the day's receipts. A disabled vehicle blocks the road. Three armed attackers surround your vehicle. **Procedure:** Shooter starts seated in car facing steering wheel, hands on the wheel at 10 & 2 o'clock, gun on seat. On the buzzer retrieve gun and engage T-1 with a minimum of 2 rounds. Popper behind T-1 must fall before engaging other targets. Engage remaining two targets with a minimum of 2 rounds in any order. Popper will active T-3 which is a one time show drop turner. Shooter must remain in vehicle (stay seated) while shooting. Reload as needed.

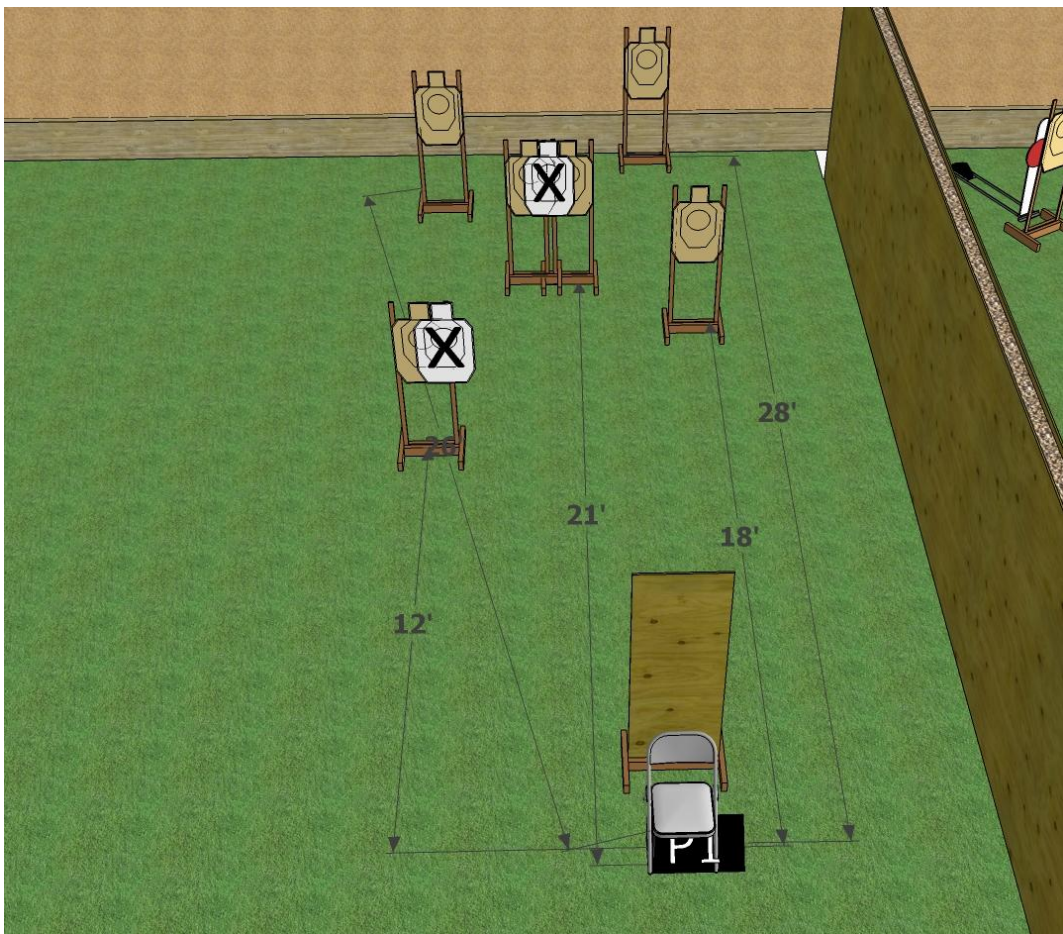

Setup notes: Position barrier so driver cannot see target T-2 while seated normally. Driver must lean to see and engage this target. No shoot shoulder aligns with top of down zero and no shoot edge is aligned with edge of down zero.

SCORING: Vickers, 6 rounds min.

TARGETS: 3 IDPA, 1 non threat

SCORED HITS: Best 2 on target

Van evacuation

Scenario: You are driving your van, evacuating the area, when things go wrong.

Procedure: The start position is seated in the driver's seat, both hands on the wheel, gun on the bench seat one row back. The rest of your ammo is on your person. At the tone retrieve your gun from the bench seat and engage all targets with two rounds each in tactical order. You may kneel or crouch to engage targets (your in a van). standing to engage is a procedural.

Setup notes: (1) Barriers are to be position so that driver cannot see targets T-2 and T-5 without leaning. (2) Target heights are to be mixed but ensure that while lying down (next stage) you would not shoot over the berm.

(3) no shoots are at edge of down zero

SCORING: Vickers, 12 rounds min.

TARGETS: 6 IDPA, 2 non threat

SCORED HITS: Best 2 on target
